Four Seasons of Health Expo

*Fremont Multi-Service Senior Center
Fremont, California*

The Four Seasons of Health Expo promotes wellness and active living for adults over 50 by increasing awareness and wellness resources. On June 6, 2014 NBP participated in the annual Four Seasons of Health Expo at the Fremont Multi-Service Senior Center in Fremont, CA. During the event NBP provided information about debt management services, as well as information about how seniors and veterans and their families can benefit from the free financial education and safety seminars that NBP offers.
