

Budgeting, Part 1

Wexford Way Apartments at Emerald Vista Dublin, CA

On March 16, 2016, NBP was invited to Wexford Way to educate its residents on the basics of budgeting and stretching their dollar.

Wexford Way Apartments at Emerald Vista is a resident housing complex run by Eden Housing, which has several residences throughout the greater Bay Area. NBP has had a longstanding relationship with Wexford Way and has provided multiple financial seminars.

A member from the Start2Save program was also part of the presentation. Residents learned about the great savings opportunities they would have through this program. Start2Save is a savings match program that helps individuals jumpstart their savings. For every dollar saved, another dollar is matched. NBP helped residents sign up and qualify for this program.
