4/19 - 12:15 - 1:15 - Budgeting/saving

During this session we will discuss the importance of savings and how to create a healthy budget plan to improve your financial situation and keep you on track to financial stability.

4/20 - 3:30 - 4:30 - Fraud/Theft/credit

Looking for a job? Buy a car? How much do you know about your credit? Knowing about your credit could not only save you hundreds of dollars but could also be determined when trying to find that perfect job you are currently looking for. Join this seminar to learn how credit works and why credit is so important. During this presentation we will also be talking about different and new ways of how individuals are falling victims of scams and how to spot a scam.

4/27 - 3:30 - 4:30 - Housing Mortgages/first time housing buying

Planning to purchase a house but not sure where to start? Join us to find out about difference type of assistances that you could qualify for and what are the steps in order to obtain a good mortgage
